

January 31, 2012

PathPoint, a leader in employment and independent living services to people with disabilities or economic disadvantages, is recruiting for internship positions in the Santa Barbara area. All positions require a clean criminal record. Current openings include:

**CAP Intern:**

Assist Program Coordinator in designing and implementing curriculum for the Community Access Project, a program that provides meaningful activities for adults with moderate to severe physical and developmental disabilities. Some lifting required. Intern can be a high school graduate or college student.

**Day Programs Intern:**

Assist Day Programs staff members in designing and implementing curriculum for of the Day Training Activity Center (DTAC), a program that helps individuals with social and prevocational skills to prepare for paid or volunteer work experience. Intern can be a high school graduate or college student.

**PR & Marketing Intern:**

Assist the South Santa Barbara Director and Manager Team in increasing public awareness about PathPoint's services and program openings, and in increasing marketing and fundraising opportunities. Intern can be a high school graduate or college student.
