## **Local Non-Profit Announces Election of New Board Member**

### **PathPoint Welcomes Shari Isaac!**

**SANTA BARBARA, CA** – The non-profit organization, PathPoint, cordially welcomes Shari Isaac as the newest volunteer member of its Board of Directors.

Founded in Santa Barbara in 1964, the mission of PathPoint is to provide comprehensive training and support services that empower people with disabilities or disadvantages to live and work as valued members of their communities.

Today, PathPoint provides independent living, day and employment services to 2,301 people within San Luis Obispo, Santa Barbara, Ventura, Kern and Los Angeles counties.

Prior to her relocation to Santa Barbara several years ago, Isaac had a 10 year career in Chicago as an executive with United Airlines directing Worldwide Reservation marketing and sales performance, organizational development, human resource, and training programs.

Her volunteer experience includes co-founding the ABC's, a non-profit organization which developed an educational mainstreaming program and fund-raising arm for the local school system. She also served as a hiring consultant to the district superintendent for directors and special needs teachers.

"I joined PathPoint," Isaac stated, "because I want to use my unique experience, as both a parent and business professional, to enhance the contribution of the special needs community."

Other volunteer activities include serving on the Valentine Theatre board and St. John's boy's High School in Ohio.

She is married to her husband George Isaac of 27 years, has two grown children and lives in Montecito. Her daughter, who has Down syndrome, attended Bishop High School and now attends a Life Transition program at Santa Barbara City College. Her son lives and works in Denver, Colorado.
