Hi PathPoint Supporter!

October was a packed and exciting month for PathPoint! We celebrated our 50th Anniversary with events in San Luis Obispo, Los Angeles, and Santa Barbara. And November will host celebrations for Santa Maria and Bakersfield! Thank you for making our events such a success. We are already thinking of the fun for next year and look forward to seeing you there! In the meantime, please check out the links for photos and video coverage of the events:

I am excited to announce that PathPoint has updated its look in honor of our 50th Anniversary. My running joke is that, when you turn 50, it's time for a facelift! In October, our new website went "live." Check us out on www.pathpoint.org!

Get ready for the next 50 years!

Sincerely,

Cindy Burton
PathPoint CEO/President
**A Proclamation for SLO**

PathPoint was honored by City of San Luis Obispo and given a proclamation for our accomplishments and 50 years of service. VP/Director of San Luis Obispo County Division Aline Graham was there, with our Supported Employment team, Barbara Furia & Marcus Tesch, to accept the honors. Bryce Lacey, employed at YMCA, shares his success story.

**Touring Sam’s Club in Palmdale**

In October, PathPoint's Lancaster office celebrated Disability Mentoring Day, and participants and staff had a special tour at Sam's Club in Palmdale. They were able to see how the store is run, and enjoyed lunch together courtesy of Sam's Club, which also generously donated a Karaoke machine and cupcakes for the Access Program. Thanks Sam's!

**HIRE Luncheon in Bakersfield**

The Honorable Harvey L. Hall presented the 8th annual HIRE Luncheon in Bakersfield, Kern County. Mayor Hall was the catalyst for the inception of the HIRE Committee, a community effort in Kern County to improve employment opportunities for people with disabilities. PathPoint’s Bakersfield staff was honored to attend.
Discoveries Program participants Amanda, Ryan and April met Long Beach Mayor, Robert Garcia, while representing PathPoint at the annual Disability Employment Awareness Month Celebration on October 22. The group got a front row seat to Mayor Garcia’s proclamation naming October as Disability Employment Awareness Month in Long Beach.

Support Supported Employment!

There is a petition to the Governor asking him to support funding for jobs for individuals with developmental disabilities. We are asking you to share with your network, to help us try and influence the Governor as we conclude Disability Employment month. Thanks!
